WELCOME NEW MEMBERS!

Jim Romesburg & Janet Dombrowski made it official and joined OBCC on May 14th. Thank you for becoming part of our family!

SLEEPING, CREEPING, AND LEAPING

When Ann and I built our home in 2003, it first required a major clearing of the lot. Trees and massive amounts of vines were removed in order to provide room for the house and yard. Shortly after moving in, we noticed a section of what we called 'wild' grass growing at the edge of the yard. Within a couple of years, it grew to a large area, taking over all the weeds, and in the process producing a dense and attractive turf. Curious, we asked the county extension agent to help identify it. Samples were sent to Virginia Tech, and a month later we had our answer. We have Centipede Grass, which was introduced to the United States in 1916 from seed collected by Frank Meyer while in he was in South China.

Identifying the grass, however, only created a more curious question: how did that grass get in our yard? The short answer is: I have no idea. Surprisingly, Centipede Grass is widely grown in the southeastern United States, and has steadily pushed its way through North Carolina and now Virginia. Which just seems to prove what one person who grew up with Centipede Grass offered:

The first year it sleeps, the second year it creeps, and the third year it leaps!

Church programs and projects seem to fall into the same pattern. We talk, plan, discuss, meet, and present a new project, and then meet, talk, and present again...and again...and again. Finally, at some point, action is taken and progress begins, slowly at first, then eventually in great leaps.

Our search for an associate/youth pastor is in the creeping stage. Our wonderful committee, headed by Christy Jensen, has patiently sorted through resumes, interviewed some applicants, and prayed a great deal in order to find a person who will be the right match for Olive Branch. That person has yet to be identified. But the process continues; which is where you can help! Please lift up this committee in your daily prayer, as this group seeks to complete this important task.

And when this work is completed, and the right person selected and called, then watch out! Ministry will be a leaping!

Blessings,
~Pastor Richard

These lyrics by Tim McGraw are good watch-words for living every day.

HUMBLE AND KIND

You know there's a light that glows by the front door

Don't forget the key's under the mat
Childhood stars shine, always stay humble and kind

Go to church 'cause your momma says to
Visit grandpa every chance that you can
It won't be wasted time
Always stay humble and kind

Hold the door, say please, say thank you
Don't steal, don't cheat, and don't lie
I know you got mountains to climb but
Always stay humble and kind

When the dreams you're dreamin' come to you
When the work you put in is realized
Let yourself feel the pride but
Always stay humble and kind

Don't expect a free ride from no one
Don't hold a grudge or a chip and here's why
Bitterness keeps you from flyin'
Always stay humble and kind

Know the difference between sleeping with
someone

And sleeping with someone you love
"I love you" ain't no pick up line so
Always stay humble and kind

Hold the door, say please, say thank you
Don't steal, don't cheat, and don't lie
I know you got mountains to climb but
Always stay humble and kind

When those dreams you're dreamin' come to you
When the work you put in is realized
Let yourself feel the pride but
Always stay humble and kind

When it's hot, eat a root beer popsicle
Shut off the AC and roll the windows down
Let that summer sun shine
Always stay humble and kind

Don't take for granted the love this life gives you
When you get where you're goin'
Don't forget turn back around
And help the next one in line
Always stay humble and kind

Take Care,
~Fred

CWF NEWS

The CWF has purchased new dishes for meals prepared by our talented cooks. Our kitchen renovation is progressing, and I hope to have another report in the next newsletter.

Seven of our ladies will attend the Virginia Women's Retreat from June 2-4. Look for a report next month.

Our Spring Dinner meeting will be at my home (10134 Sycamore Landing Road; Williamsburg) at 6:30 pm on Monday, June 12th. Please bring a covered dish to share. Everyone is invited, and, hopefully, the weather will cooperate so we can enjoy the deck overlooking the York River.

CWF offers many opportunities for fellowship, Bible study, and, of course, meals, so please join in our events.

God Bless!

~Kay Ainsworth, CWF Director

CHRISTIAN WOMEN'S FELLOWSHIP

The Tuesday Circle met at Interlude with 12 attending. We missed those unable to attend. Of course, we began with a table full of wonderful dishes. Elaine made a special birthday cake for Donna and Vicki, and everyone sang to them. Elaine gave her lesson on The Bible of Jesus. As always, it was such an interesting lesson. Thank you, Elaine, for our lessons and the time you put into present them to us. Our next meeting will be June 13, at Interlude. Come join us.

~Donna Haulsee

MONDAY CWF WILL MEET

on June 19th at 7 PM in the Education Building.

The group is a series of lessons on the Fruit of the Spirit. We are using a book called Golden Fruit. This book looks at the fruit of the Spirit as seen in women in the Bible. Our first lesson looked at love as seen in Ruth.

Please join us on the 3rd Monday of each month as we meet in Andy's Sunday School room at 7:00 pm.

~Carole Kerr

We are gearing up to leave for our mission trip. We ask for prayers for safe travel, and for a rewarding week serving others. We are so excited to be experiencing this new type of trip to an Indian Reservation. Lauren, Bryant, Harold, and I cannot wait to share this experience with all of you when we get back. Lauren just celebrated her birthday. She is finishing up her junior year of high school. Bryant is working at the Great Wolf Lodge and is finishing up his junior year as well. Both are looking ahead at colleges.

We will be meeting June 11th & 25th.

~Abby Matschke

The next meeting will be at 2:00 PM on Tuesday, June 6th at the Schmidt home.

Hope to see you!

FOOD SHARING PROGRAM UPDATE

Food insecurity never takes a vacation. During the summer school vacation our neighborhood children who benefit from our food donations are at an increased risk for food insecurity. The food support programs our neighborhood children receive from the schools they attend are not available during the summer recess. Our increased food donations, we make during the summer months will help mitigate the increased food insecurity these children will experience. Your generous donations are daily blessings experienced at the dinner tables of those

neighborhood families who face food insecurity. We are grateful for your consistent weekly donations to our food sharing program.

Thankful,
~Jane & Will Hatcher

EASTER SPECIAL OFFERING THANKS:

God has blessed us with so much, and we have much to share. We shared a total of \$3,172.76. Thank you for your generosity for God's work.

PENTECOST GIVING ON JUNE 4 & 11:

Planting a church can make a huge and lasting impression in the community it serves. Since 2000, the Christian Church has started 980 churches in the U.S. and Canada, thus sharing the gospel with more than 61,500 individuals.

The goal of the 2020 Vision is to start 1000 new churches in 1000 different ways. We have almost made that goal, but must continue our journey by setting our sights higher, equipping courageous leaders, and planting even more churches.

I encourage you to help to actually change the world by supporting the Pentecost offering on Sundays in June---the 4th and 11th. Each year half the offering is designated for our regional area in an effort to start and sustain new churches. The other half is used by the Hope Partnership to support recruitment, assessment, training, and coaching of new church leaders at events like *Leadership Academy*.

With your support, the Christian Church DOC will continue to change the world.

TOOLS SUNDAYS ON JUNE 4 & 11:

Church World Service is there with tools, seeds, and support for agricultural coops in rural, poverty-prone communities. Using boats provided with help from CWS, Ahmad Syarif and fellow members of the Tolong Menolong Fishing group have strengthened both their potential and resilience. These families do not know how to prepare the soil and seedbeds or develop organic pesticides. CWS is there with support to teach and help develop kitchen gardens to feed families.

With your donation of \$5.00 in honor or memory of your loved one (father, grandfather, son, brother, friend), please give this Father's Day from the heart.

In His Name & Blessing
~Sheila Yeatts

The Fourth of July was traditionally celebrated as America's birthday, but the idea of an annual day specifically celebrating the Flag is believed to have first originated in 1885. BJ Cigrand, a schoolteacher, arranged for the pupils in the Fredonia, Wisconsin Public School, District 6, to observe June 14 (the 108th anniversary of the official adoption of The Stars and Stripes) as 'Flag Birthday'. In numerous magazines and newspaper articles and public addresses over the following years, Cigrand continued to enthusiastically advocate the observance of June 14 as 'Flag Birthday', or 'Flag Day'.

On June 14, 1889, George Balch, a kindergarten teacher in New York City, planned appropriate ceremonies for the children of his school, and his idea of observing Flag Day was later adopted by the State Board of Education of New York. On June 14, 1891, the Betsy Ross House in Philadelphia held a Flag Day celebration, and on June 14 of the following year, the New York Society of the Sons of the Revolution, celebrated Flag Day.

Following the suggestion of Colonel J Granville Leach (at the time historian of the Pennsylvania Society of the Sons of the Revolution), the

Pennsylvania Society of Colonial Dames of America on April 25, 1893 adopted a resolution requesting the mayor of Philadelphia and all others in authority and all private citizens to display the Flag on June 14th. Leach went on to recommend that thereafter the day be known as 'Flag Day', and on that day, school children be assembled for appropriate exercises, with each child being given a small Flag.

Two weeks later on May 8th, the Board of Managers of the Pennsylvania Society of Sons of the Revolution unanimously endorsed the action of the Pennsylvania Society of Colonial Dames. As a result of the resolution, Dr. Edward Brooks, then Superintendent of Public Schools of Philadelphia, directed that Flag Day exercises be held on June 14, 1893 in Independence Square. School children were assembled, each carrying a small Flag, and patriotic songs were sung and addresses delivered.

In 1894, the governor of New York directed that on June 14 the Flag be displayed on all public buildings. With BJ Cigrand and Leroy Van Horn as the moving spirits, the Illinois organization, known as the American Flag Day Association, was organized for the purpose of promoting the holding of Flag Day exercises. On June 14th, 1894, under the auspices of this association, the first general public school children's celebration of Flag Day in Chicago was held in Douglas, Garfield, Humboldt, Lincoln, and Washington Parks, with more than 300,000 children participating.

Adults, too, participated in patriotic programs. Franklin K. Lane, Secretary of the Interior, delivered a 1914 Flag Day address in which he repeated words he said the flag had spoken to him that morning: "I am what you make me; nothing more. I swing before your eyes as a bright gleam of color, a symbol of yourself."

Inspired by these three decades of state and local celebrations, Flag Day - the anniversary of the Flag Resolution of 1777 - was officially *established* by the Proclamation of President Woodrow Wilson on May 30th, 1916. While Flag Day was celebrated in various communities for years after Wilson's proclamation, it was not until August 3rd, 1949, that President Truman signed an Act of Congress designating **June 14th** of each year as **National Flag Day**.

THE WAYS OF MEN

TO CHILDREN, ALL DADS ARE GIANTS
HOWEVER SHORT OR TALL.

KIDS LOOK UP TO THEM AS HEROES
AND THEY DON'T MIND AT ALL.

"MY DAD CAN BEAT YOUR DAD!" SOME SAY
WITH A PATRONIZING GRIN.
THEN WITH A SMILE, DAD SITS US DOWN
TO EXPLAIN THE WAYS OF MEN.

WE LEARN LIFE'S LESSONS AT DAD'S FEET...

HE DOES THE BEST HE CAN
TO SHOW US THAT LOVE AND KINDNESS
MAKE A BOY A BETTER MAN.

"IT'S HARD TIMES THAT MAKE YOU STRONGER,"

MY FATHER SAID TO ME,
"FOR EACH TIME YOU OVERCOME THEM,
HOW HAPPY YOU WILL BE!"

DADS TEACH US MORE THAN HOW TO FISH
OR HOW TO CATCH A BALL.

WE LEARN IT'S WHAT WE DO FOR OTHERS
THAT GOD BLESSES AFTER ALL.

SADLY, DADS DON'T LIVE FOREVER...

WE MISS THEM WHEN THEY'RE GONE,
BUT THE WISDOM THAT DADS TEACH US
IS A BLESSING THAT LIVES ON.

Way Harrison

FATHER'S DAY

Father's Day, is on Sunday, June 15th. Will you give your father a card or a present for Father's Day? Some cards say, "Dad, I love you!" Do you think your Dad likes to hear you tell him that you love him? Of course he does! So be sure you say "I love you, Dad" every day.

Sometimes you hear people say, "You look just like your Dad". Just as we look like our earthly fathers, we should also look like our Heavenly Father. The Bible tells us that people should be able to look at us and tell that we are children of the Heavenly Father. The Bible says that we were created in the image of God. It also says that we should let our light shine so that others will see our good works and glorify our Father in heaven.

Dads are...

FORGIVING: even when we disobey or do something wrong.

ATTENTIVE: always willing to listen to what we have to say.

TEACHERS: teach us the most important lessons of our life; they teach us right from wrong, and teach us by example how to love one another.

HELPFUL: help us to make the important decisions each day, offer advice, or may just be a good listener, but he's always there to help us.

ENERGETIC: no matter how tired he is, Dad always seems to find the energy to do things with us and for us.

READY: always ready to reach out in love to us. He is ready to do whatever we need.

The bold and underlined letters above spell **FATHER**. Just as our earthly fathers do these things for their children; you also have a Heavenly Father who wants to do all of these things for you. After all, God is who earthly fathers use as their example!

Listen, my sons, to a father's instruction; pay attention and gain understanding. Proverbs 4:1
